

1st CALL FOR PAPERS

13th EURAS Workshop on Standardisation

16 – 18 June 2008, Skoevde, Sweden

EXTENDED DEADLINE

For their annual interdisciplinary workshop, the European Academy for Standardization (EURAS) solicits papers on all aspects of standards and standardisation. Sample topics include, but are not limited to:

- Research and standardisation
- Standards and technology transfer
- Standardisation and economic development
- Economics of standardisation
- Standardisation policies
- Management of standards
- Different sciences' perspectives on standardisation
- Legal and regulatory issues in standardisation
- Standards setting and implementation processes
- Environmental standards
- History and future of standards
- Education on standardisation

Full papers (up to 20 double-spaced pages; pdf, rtf, or MS-Word format) should be submitted, preferably by e-mail, to:

Kai Jakobs

RWTH Aachen University, Computer Science Department, Informatik 4

Ahornstr. 55, D-52074 Aachen, Germany

Kai.Jakobs@cs.rwth-aachen.de

Authors of accepted papers are expected to serve as discussants upon request. All papers will be reviewed (double blind) by members of the Programme Committee. Particularly good and relevant papers will be fast-tracked to the review process of either the EURAS-Yearbook or the Int. Journal of IT Standards and Standardization Research (JITSR). For more detailed information, please consult the EURAS website (www.EURAS.org).
